Truman's Cross-Country Tour May Give Key to His Chances

Now that the boss of the GOP hopes to get back at home base, President Truman is heading for open country. He is on a "non-political" tour which will take him to the near some recent Republican strongholds.

The President's stop at Chicago will bring him to the threshold of Wisconsin, where Harold Stassen's star first rose. He will go to Omaha, scene of the Republican flop in all that year the Stassen stock still higher. In the Far West, at Seattle, he will be in Dewey country, according to the primary vote in neighboring Oregon. And a sweep down the coast will bring him to Los Angeles and Berkeley, in a state where the Wallace vote will probably be heavy.

In each of these cities Mr. Truman will make a major speech. He will make one at 40 stops along the way. In these the back-platform appearances at stops along the way. In these the President will go in for the impromptu, off-the-cuff remarks which he has made quite a bit with listeners since he tried out on the newspaper editors' convention in Washington.

It seems safe to assume that Mr. Truman and his supporters are making a last-ditch effort to make a final approach. The rather dry manuscripts that his ghost writers have prepared for him have a tendency to freeze the President up, and occasionally to trip him up.

This swing will take the Chief Executive far from the Republican Congress and the United Nations and the East Coast, where feelings about the Palestine policy have been quite bitter. Through politics will not be stressed publicly on this trip, Mr. Truman will be grass-roots candidate in the grass-roots campaign. It is a fact that many of his friends believe becomes him most.

Democratic politicians will be watching the reactions to this trip with great interest, of course. Results of the trip will be hard to gauge. There is bound to be much speculation over how many of the cheers Mr. Truman receives along the way are for the President of the United States, and how many are for the man who is a candidate for re-election.

In making this tour Mr. Truman is testing the ground on one of the two courses open to him. At present there is no support for the Democratic Party for as there was for Mr. Roosevelt. There is a dissident group whose mood seems to range from indifference through lukewarm support to open revolt. In spite of General Eisenhower, however, there still seems to be strong sentiment for him.

If the reaction to this present trip should prove too discouraging, there is a chance that Mr. Truman will withdraw. General Eisenhower to become a candidate. This looks to be very remote as of today.

Otherwise Mr. Truman must stand on his own campaign vigorously on that record. The Democrats could scarcely nominate a regular party man in the President's place. For any regular Democratic replacement would be committed to the party at the same time the party would be admitting that the Truman record was not strong enough to elect the man who made it. Such a situation would be an invitation to certain defeat.

Two Suspects Questioned in Shooting of Reuther

Detroit, June 12—(AP)—Police today freed the second of two men who had been detained for questioning in the shooting of Walter P. Reuther, president of the CIO and American Workers Union.

Charles Kurgan, 46, a UAW-CIO member, was arrested while prowling around Reuther's home Tuesday night. He told police he was inspecting the building's structure in detail before he wanted to build a home like it.

Officers said it was apparent Kurgan told the truth. Earlier they released Peter Moss, 40, a business agent for the AFL-affiliated union, and had taken into custody an anonymous tip.

Reuther still is confined to his home from shotgun wounds inflicted by his unknown assailant in the April 20 shooting.

Truman Says Politics Has Stalin Tied

Abroad Truman train on route to Berkeley, Calif., June 12—(AP)—President Truman contended today that Russian forces stronger than "Old Joe" Stalin are preventing the Soviet premier from keeping agreements vital to world peace.

In the chat of a man passing in the time of day with neighbors at the corner drug store, the president said he liked "Old Joe" and gave this personal view of the Russian premier.

"Life is a decent fellow. But Joe is a prisoner of politburo. He can't do what he wants to. He makes agreements. And if he could he would keep them. But the people who run the government are very specific in saying that he can't keep them."

The president said he would elaborate in a major foreign policy speech at the University of California at Berkeley this afternoon on his hopes for eventual understanding between Russia and the United States.

He speaks at commencement exercises at 3:08 p. m. P. S. T. (5:08 p. m. S. T.).

The setting for the president's most intimate public appraisal of Stalin was Eugene, Ore. His audience was a group of townspeople clustered about the back platform tracks.

In casual tones, he talked to them through the loud speaker. He was bareheaded. His voice had a trace of huskiness. His aids said he was a bit tired from days of strenuous travel.

He didn't mention Congress when he got around to the international situation. His attacks on the legation have been confined to domestic issues.

He called the foreign policy a United States policy and said, "we will have peace in the world" if it is carried out.

"I want peace in the world just as badly as any body in the world," he went on. "I went to Potsdam in 1945 with that in view. I went there with the kindest feelings in the world toward Russia, and we made certain agreements, specific agreements."

"I got very well acquainted with old Joe Stalin, and I like old Joe," he confided.

"Now some time or other that great country, and this great country, are going to understand that their mutual interests mean the welfare and peace of the world as a whole. I am going to tell you about that tomorrow at the University of California."

Both Sides Charge Truce Violations

Cairo, June 12—(AP)—Charges of violations by both sides threatened to blow up Palestine's powderkeg truce today.

"The Arabs are charged with the right of quick action in reply to criminal Zionist attacks," an Arab league note to the United Nations mediator, Count Folke Bernadotte, warned. An Arab League spokesman said the mediator's report of his bed before dawn to give him the message.

The Jews also warned that violations would provoke Jewish counterattacks, and they charged the Arabs with having broken the truce. Bernadotte and his aides left Cairo by plane early today.

He said the charges were being investigated. A high Jewish official said a veiled threat of reprisals against Arab capitals was breaking the Arabs of breaking the truce.

Reds Halt Food Shipments in Fight for Berlin

By RICHARD KASISCHKE

Berlin, June 12—(AP)—The Reds stuns blockade all food and coal shipments by rail to the 2,000,000 Germans and 25,000 Americans Britons and French in the western sectors of Berlin today.

U. S. and British officials said it was too early to say whether the order, in effect since last night, was aimed at driving the western powers out of the city, or was just another manifestation of Soviet red tape aimed at making travel more difficult.

Many in the western sectors viewed the move as the newest phase of the battle of Berlin. It was much more serious than the Soviet restrictive measures in Berlin which raised an east-west crisis last April. The Allies circumscribed that crisis by flying in supplies and supplies, but it would be impossible to fly in enough supplies to meet the needs of the 2,000,000 Germans in Berlin dependent on the western powers for food and heat.

British officials said the Russians offered they had to emigrate barge freight shipments into Berlin because the city was congested. The British retorted that they were aware of any congestion and would not share the embargo being lifted immediately.

Trains were stopped at the Helmsdorf Marienborn control point on the border of the British and Soviet occupation zones. This point was the point where the Russians in April ordered trains stopped for inspections by Soviet officials before passing through the Soviet zone of Germany to Berlin. Flood Waters Threaten Industries

Portland, Ore., June 12—(AP)—The raging Columbia river rose up today, renewed threat to three industrial areas in the Pacific northwest.

President Truman viewed the devastated American flood zone today as these high spots were developing in the three-week battle against the Columbia and Fraser rivers, worst rampage in the U. S. and Canada.

Water from the Columbia lap ped at a secondary dike protecting a \$43,000,000 aluminum plant east of Portland in Oregon. Soggy levees remained critical along the industrial and farming belt from Portland to the Pacific in Oregon and Washington.

The Columbia cracked sagging defenses on its Canadian headwaters near the half-flooded smelter city of Trail in British Columbia. One hundred summer homes were washed away. Levee leakage into the city increased.

Five workers were ready to evacuate homes from their Richmond, B. C., plant. The plant itself was not in danger but the engineers said they were ready to evacuate homes if necessary.

In Portland Mr. Truman signed a \$10,000,000 emergency housing bill that had been rushed through Congress. It will relieve suffering by direct by the memorial day drowning of Vampoor—most disastrous single blow of the flood wave.

Meanwhile, the toll for the two nations mounted to 10 known dead. Five new victims were added yesterday. One was from Vampoor. Increasing to five the number of bodies recovered from the smashed war housing project.

Damage advanced upward through yet untold millions of dollars.

Only a few hours before Mr. Truman arrived, another dike caved in just east of what was Vampoor. While he was here water overran Portland's \$6,500,000 airport, two swank country clubs, two public golf courses, a lakeside resort, rich commercial gardens and homes where some 5,000 persons lived.

Texarkana Women in State Golf Playoff

Fort Smith, June 12 —(AP)—Two same golf club and bearing the accurate-striking girls from the same first name met today for the Arkansas women's championship. Each seeking her first title, the finalists are Betty McKenna of Mt. Pleasant, Tex., the tournament medalist, and Betty Brown, Texarkana. Both are members of the Texarkana Country Club.

Miss McKenna, favored to take the crown out of the state for the first time, defeated Ed Dell Wortz of Fort Smith 3 and 1 in yesterday's semi-finals. Miss Brown moved up with a 3 and 2 victory over Mrs. Ben Butler, Van Buren.

Citation Seeks Vital Stake at Belmont

By LEO H. PETERSEN
New York, June 12 —(UP)—Citation went out after turf immortality today.

He faced eight other horses in the 80th annual running of the \$10,000 added Belmont stakes, victory in which would give him racing's triple crown.

Only seven horses through the years—Sir Barton, Omaha, Galant Fox, Whirlaway, War Admiral, Count Fleet, and Assault—have been able to win that diadem and the Colnet charger was regarded as such a sure thing that he was 1 to 10 in the overnight line.

A triumph in this third leg in the triple crown—was an easy victory in the Kentucky Derby and the first leg, defeated Ed Dell Wortz of Fort Smith 3 and 1 in yesterday's semi-finals.

It all eight to the post at 4:30 p.m., the winner will pick up \$75,000. If he comes to \$34,700 only \$15,461 away from fourth place in turf's all-time money winners.

Whirlaway holds that spot, now headed only by Stymie, Armed and Assault.

It also would bring him up to where he would be only \$34,175 short of the single season money winning record of \$424,195 set by Assault in 1946.

The chances were that Citation might be driven down to 1 to 20 choice by the 60,000 persons who are expected to jam Belmont Park for the classic.

There was a strong possibility that the horse would be withdrawn from the race, but he was not.

Citation's stablemate, Coalstown, and Belair stud's Golden Light.

Trainer Jimmy Jones of Calumet Farms said he may not decide till noon whether to run "Coalstown" or "Golden Light."

It will be on the theory that Coalstown will set such a terrific early pace that Citation will be able to go to an easy victory in the mile and a half.

Eddie Arcaro, who rode Citation to his derby and Preakness triumphs, will be up on the Calumet star again while Newbold Pierson will ride Coalstown if he goes.

Listed as 1 to 1 second choice are Citation's stablemates, King Sackat's Gasparilla and King Sackat's Vulcan Forge. Willie A. J. Ranch's Better Self, who will run as an entry, were held at 15 to 1.

Glen Riddle Farm's Faraway and W. R. Hollis' Solmagundi were 20 to 1 shots while Golden Light the outsider in the field at 30 to 1.

Heart Operation Successful Say British Doctor

London, June 11 —(AP)—Dr. R. G. Brown, distinguished British authority on heart and chest diseases, reports in the British Medical Journal that he has operated successfully inside the human heart.

He said the operations produced a complete cure for an 11-year-old girl and had given hope for normal life to two other patients, one 18 and the other 23. The patients had undergone stenosis, which leaves the victims short of breath and gives their complexion with blue.

This condition in infants has produced the term "blue babies."

A similar operation was performed Jan. 31 in Charleston, S. C., by Dr. Homer G. Smith, assistant professor of surgery at the medical college of South Carolina. He said his patient, 21-year-old Harry Lee Woodridge of Canton, Ohio, apparently was nearly well after having been disabled by rheumatic fever since she was 18.)

Lewis' Nemesis

New York, June 12 —(AP)—When Frank Howard, Clemson College football coach, escaped from the state of South Carolina to speak to an alumni group in Burlington, N. C., recently, he didn't overlook an opportunity to drop in for a visit with Earl Wright, Clemson's high school tackle. Wright rang the bell and who opened the door but Beetle Beaters, whose North Carolina State team is second on Clemson's schedule next fall.

Rocky Graziano spent part of the afternoon before his latest battle with Tony Ziaie answering the phone in the Tournament of Champions office. He did it so well the "Seven Angels" may have him the job permanently. Don't be surprised if this new promotion group lines up Ray Robinson for its next show—which won't be held in Newark. The Sanford and Dunbar, N. C. teams played a winning ball game in an hour and 23 minutes to set a new tobacco state league record. Just a short smoke.

Weak End Notes
The pro tennis championships starting today at Forest Hills have received considerably more space in the local newspapers before today than the \$100,000 Belmont stakes starting today. In one afternoon, the Belmont will draw more customers than the full week of tennis. The feeling is mutual. Incidentally, Ben and Jimmy Jones again faces contempt charges with possible fine and jail sentence.

Judge T. Alan Goldsborough, who last year slapped a \$10,000 fine on John L. Lewis and a \$3,500,000 one on the United Mine Workers, has told John L. Lewis to "show cause" for ignoring a back-to-work court order. Lewis again faces contempt charges with possible fine and jail sentence.

Indian Series Is More Than Possibility

By CARL LUNDQUIST
New York, June 12 —(UP)—Not that things work out in October as they did in June, but could it be that an all-Indian World Series is brewing?

At least today, the vanishing Americans had a first place monopoly with the Boston Braves out in front for the first time this year in the national and the Cleveland Indians threatening to walk off with things in the junior loop.

The Braves took over first place at St. Louis when they won their third straight game from the Cardinals, 7 to 3. It was their sixth straight victory and their eighth in 10 games on a supposedly tough Western road trip.

The Cardinals took a 3 to 1 lead in the first three innings but Boston put over three runs in the seventh off starter Alpha Brazil then coasted to victory. McCormick, Jeff Heath and Eddie Stanley each made two hits in the winning attack.

The Indians, opening a four game "crucial series" with the Yankees a New York, scored a 15 hit 10-3 victory against six New York pitchers. Dale Mitchell and Eddie Robinson made three hits apiece for the winners while Bob Lemon, who was batted out in the seventh, gained credit for his ninth victory.

The Athletics took second place undisputedly by toping the Browns, 6 to 5 at Philadelphia as Charley Harris scored his first major league victory in a relief role by facing only 21 batters in seven innings.

Ted Williams drove in seven runs with two doubles, a single and a walk and boosted his major league leading average to .395 as the Red Sox defeated the White Sox, 12 to 4 at Boston. Pat Scerby hit a homer for Chicago.

Art Houtteman, who had dropped eight straight games for the Tigers had to single home Pat Mullin with the winning run in the 10th to gain his first victory, 7 to 6 at Washington. Houtteman pitched two scoreless relief innings before singling home Mullin who had tripled.

Ralph Hammer, a 30-year-old rookie, won his first major league game by holding the Giants to six hits in a 3 to 1 Cub victory at Chicago. It was the Cubs' third victory in the four-game series.

The Dodgers topped the Pirates, 2 to 1 in 13 innings at Pittsburgh when Peeewe Reese doubled home one run and Gil Hodges sent in another with a single.

Rookie Herbie A. Wehmeier pitched five out of seven innings to a 1-0 triumph for the Reds, 12 to 1 at Cincinnati as Johnny Wysock hit two homers, a double, and a single.

Clarksdale Goes into Third Place Tie With Natchez

By The Associated Press
The Clarksdale Planters were locked in a third-place tie with Natchez in the Cotton States League today.

Clarksdale jostled into the No. 3 spot last night (Fri) by walloping Natchez, 6-1, behind the three-hit pitching of big John Martin. It was the Planters' second straight victory over the Indians.

In other league games, El Dorado defeated Helena, 7-2. Greenville and league-leading Hot Springs and league-leading Greenwood lost to Pine Bluff, 7-1.

Rowan Murphy paced El Dorado to its victory over Helena with a grand slam home run in the third inning. The Oilers scored two more in the fourth for good measure.

Hot Springs scored early and often to beat Greenville, Bill Hinchak, Batthers' first sacker, drove in two runs with a triple in the first inning. The Batthers added one more in the second and scored twice in the third.

Jim Hildebrand, making his first start for the Bucks, gave up all five of the runs before moving over to Freddie Bates. Bates put an end to Hot Springs' scoring spree.

Bather Pitcher Dick Stahs was an early casualty of the game. He was struck in the face with a baseball in the second inning and had to be carried from the field on a stretcher.

At Greenwood, the cellar-dwelling Pine Bluff Cardinals made it two in a row over the Dodgers. The Cardinals scored second-place Hot Springs to move into another game on Greenwood, but left the Dodgers holding a comfortable six game lead.
